

# QUALITY POLICY

Academic competence and excellence is evaluated on the basis of quality addition in the teaching learning process. It is extremely important to have a well- defined quality policy in place in the augmentation of skill in the sphere of knowledge.

The Bharat Education Society's Sant Gadge Maharaj College of Commerce and Economics is a well established college offering 2 Graduates and 1 Post Graduate courses in the Commerce. The college is a recognized PhD Research Center of the University of Mumbai (2014-2015) in the subject of Business Policy and Administration.

No institution of higher education can attain excellence if it does not work in the direction of quality enhancement. Sant Gadge Maharaj College right from the time of its inception committed towards the cause of providing education to students who come from economically weaker sections of the society. The institution has a well defined quality policy and steps are taken to improve efficiency of the existing courses.

## Statement of Quality Policy:

1. Quality education by implementing various steps to maintain high standard of academic excellence.
2. Procedure of Knowledge Communication should be in keeping with the requirements of the learners. A thorough need analysis should be done.
3. The process of evaluation should be continuous.
4. Every stakeholder of the teaching learning process should be taken into consideration.
5. Academic standards should periodically be up graded so that the knowledge should be relevant and objective.
6. The students should be encouraged to learn new skills along with the traditional modes of learning.
7. Teaching learning should be more interactive with inputs from the students.

### Objectives of Quality Process:

1. Suitable Knowledge inputs as per the needs.
2. A renewed focus on the competence of the learners by providing them with latest knowledge.
3. To make the teaching learning process transparent and learner centric.
4. To have greater involvement of teachers in improving classroom learning.
5. To inculcate better skill standards in students.

### Process of Formulation of Quality Process:

<b>Stage</b>	<b>Activity</b>
